

## Accreditation Scheme for Personnel Certification Bodies

### What is the scheme about?

The Accreditation Scheme for Personnel Certification Bodies provides third party assurance on the competency and impartiality of the certification body that awards credentials to individuals based on their professional competency.

The scheme will provide a transparent system for assessment and recognition of competence and qualifications of workers. This is crucial in supporting the workforce development efforts of the public and private sectors.

### Who can be accredited?

All organisations providing certification of professional individuals can be accredited.

### What are the criteria?

Personnel certification bodies are accredited based on:

- ISO/IEC 17024 Conformity assessment: General requirements for bodies operating certification of persons

### Benefits

- Increase the level of confidence in the integrity of your certifications
- Meet prevailing industry standards and best practices
- Improve your operational performance
